“The bar has been raised” is NOT just a slogan. At Miracle Industries™, we’ve set out to provide a true, honest seal of approval—one that cannot be purchased--for products parents can trust 100%. When the Certified Miracle™ seal is placed on a product, it’s a statement that the product has either met or exceeded the threshold of quality and effectiveness established by the reputation of Miracle Blanket® ... and that is a tough act to follow! It’s taken our team years to round up brands that meet our elevated standards of Certified Miracle™ criteria. Brands with the

Certified Miracle™ seal are products that moms and dads can rely on for safety, reliability, value and customer service.

## Seal of Approval

Certified Miracle’s official seal makes it quick and easy to separate the quality from the rest of the clutter. Becoming a new parent has never been easier!

## In Other Words

“Because of the outstanding success we’ve experienced with Miracle Blanket®, we have great confidence in all products introduced with the Certified Miracle Seal from Miracle Industries. We trust they will be a big hit with our customers.”
